Hi all, my colleague @gregkulowiec did this iP*d app blog post a couple of weeks ago. Great stuff! http://t.co/JVkE6BwA #appyhour
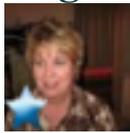

@TXDENLC Due to budget cuts, we now have no tech integration specialists, and very little money to update our tech. #appyhour

Campus has 2 carts, all teachers received 1 iPad at end of school year to use during summer. #appyhour

RT @_CindyWallace_: @txdenlc I think showing admins how they will be used is key to migrating BYOD #appyhour

My district needs to get a BYOD policy together. My students have better devices than I do, let's let them use them. #appyhour
